Authors will be informed by 30th of September 2017 whether their abstract have been accepted.

File naming examples: nameofthepresentingauthor_number_type.doc.

Example: smith_1_poster.doc, smith_2_oral.doc

ABSTRACT SUBMISSION GUIDELINES

- all abstracts must be submitted in English, as a *.doc or *.docx file (pdf not accepted)
- use Times New Roman 12, left alignment for all lines (including title, authors, affiliation, text)
- title should be typed in BOLD CAPITAL LETTERS.
- authors format: full name followed by the initials of the first and middle name. All authors separated by commas. Ex: Smith J.H., Johnson W., McGregor I.K.
- presenting author's name (the applicant) should be underlined and bold.
- the affiliations of all authors should be included in the abstract, using consecutive numbers in superscript. The format of the affiliation must be: Department, Institution, City, Country
- presenting author must also be the corresponding author. So provide an email address in the line following affiliations example: email: smithjh@email.com
- please use the following page settings: A4, all margins 2 cm
- please use the following paragraph settings: 1.5 lines, no indentation, 0 before and 0 after spacing.
- do not include in your abstracts: figures, tables, graphs, charts, diagrams etc
- do not include references in your abstracts
- if necessary, include "Funding" as a separate line, at the end of the abstract.
- abstract MUST be between 250 and 400 words. DO NOT include subtitles. However, research abstracts should generally include in the main text statements regarding the aims, materials, methods, results and conclusions.
- if submitting more than one abstract, please send them together, in the same email, as separate files.
